working with Boone, Brown, Hamilton, Hancock, Hendricks, Johnson, Marion, Monroe, Morgan and Shelby County Soil & Water Conservation Districts (SWCDs)

## Rain Barrel Order Form

To order a rain barrel and required parts to create your own backyard rain barrel (minimal assembly will be required) complete the order form below and send or email it to the Hoosier Heartland RC&D. Connect the rain barrel to your home's downspouts and rain water is stored in the barrel until needed for watering your lawn or flowers. This will help to reduce your monthly water bills in the summer!
